FREE PLAY OR CRAFT

SENSORY/CURIOSITY BOX

NEW PROGRAM DESIGN | BREAK OUT SESSION FOR SIBLINGS

We redesigned our popular Toddler Program with an age-appropriate **BREAK OUT** Session for older siblings!

Break Out Sessions will be held in the back corner of the children's room.

After the energy-release exercises and dance, children age 3 or older may accompany a Library staff member to the Break Out Session Corner for a story and an evolving, weekly variety of age-appropriate, interactive activities for the older child, facilitated by a staff member. Older siblings who are 2.5 and can separate from the parent or caregiver and are interested, may also attend.

PRE-REGISTRATION IS REQUIRED | ALL CHILDREN MUST BE REGISTERED

ALL materials are completely cleaned and sanitized prior to each program.

Space is limited to 12 toddlers ~ please be sure your child can attend before registering ~ thank you
