Animal Adventures Family Zoo and Rescue Center

Animal Adventures™ is New England’s largest privately-owned animal rescue center and family zoo for standard and exotic animals. The Family Zoo and Rescue Center has operated out of Bolton MA since 1997.

The Center rescues and provides enriched lives for the hundreds of unwanted animals that they take in each year. Some are re-homed, while others remain at the Center for the rest of their lives. The Center is a USDA licensed and State recognized education facility.

This is an educational, family program, intended for adults and families with children ages 4 and older.

Although this program is not intended as a traditional viewing or petting zoo, interaction between some of the animals and the audience is threaded throughout the program.

This family program will showcase wildlife related to their prehistoric ancestors. Alligator, Snapping turtle, Snake, Tortoises, Lizards, Mammals, Dinosaur bones, Dinosaur eggs, Scat.

Wednesday February 19 | 2:00 – 3:00pm | Check in: 1:45 – 1:55pm | Children must be at least 4 years of age.
Children younger than age 4 are welcome to view the program from the back of the room with parents or caregivers over age 18. Artifacts such as a stegosaurs back plate, dinosaur bones and eggs, and scat will be included.

Registration is Required: Register online, or call or visit the Library for assistance in registering.
