

Library staff will continue working in the building and will resume curbside pickup operations, available during all current operating hours.

No need to make an appointment!

Once your hold is available for pickup, please approach the outer doors. A staff member will meet you there and provide you with your materials.

Please wear a mask when approaching the door for services!

In addition:

- Tax forms will be available outside the front entrance
- If you need copies, Library staff will assist you at the door
- If you need assistance placing holds, just give us a call!
- All programs, clubs, and groups are currently suspended

IT'S TAX TIME!

For the third consecutive year, the Auburn Public Library offers updated links to Federal and MA State tax forms. A very comprehensive listing and additional information can be accessed from the button link to the left. You can also download the listing from our website. In addition, Library patrons may print tax forms and tax-related documents for free from the public copier during tax season when the building is open. If you need assistance while the building is closed, please call the Library.
