

Create a Terrarium! **AUBURN PUBLIC LIBRARY**

Choose Your Theme: Dinosaurs | Unicorns | Safari Animals | Dragons

Children *ages 3.5 UP TO age 6* who are able to separate from the parent or guardian, listen to and follow layered, age-appropriate directions, and are excited about creating their own unique terrarium, are invited to register for this fun, educational, and creative program!

We will begin with a story and then discuss ideas and tips about designing the garden, measuring, soil, and plant care.

All materials, such as live plants, unicorns, dinosaurs, safari animals, dragons, pebbles, moss, 'ponds', decorative mushrooms, plants, container, soil, and more, will be provided.

Wednesday August 10th | 1:00 – 2:00pm | REGISTRATION REQUIRED | This session is for ages 3.5 TO age 6 only please!
Register online or call or visit the Library for assistance | Please be sure your child can attend prior to registering!

**Due to limited space, anticipated high interest in this program, and busy activity levels at different areas in the room, only a small play space can be provided at the back of the room for siblings.*

Yup - it's going to be messy! 😊 Aprons and soap and water will be provided!

**This program was designed to inspire creativity and foster social interactions with peers.
Library staff are delighted to encourage and assist all children as needed!*
