Auburn Public Library | Dinosaur Detectives

Children age 3 - 8 and older will:

- Learn about, and discuss, dinosaurs.
- Learn about the science of paleontology and how specialized tools are used to locate, excavate, and study the fossilized remains of dinosaurs.
- Use tools to uncover fossils from the sand trays.
- Hunt for dinosaurs and dinosaur eggs!

When
Thursday February 20th
1:00 – 1:45
